The following circular is promulgated for information, guidance and necessary action

Margaret T. Munyagi
Director General

CHANGE ON PROCEDURES FOR COLLECTING SAFETY FEE

Since commencement, the collection and payment of safety fee has hitherto been on figures provided by the operator. However, there is a need to verify amount paid with the number of passengers uplifted, as recorded in the passenger manifest.

Subsequently, this is to inform aircraft operators that, with effect from 1 January 2009, safety fee with respect to passengers uplifted by all aircraft departing from Tanzania Mainland, will henceforth be paid on the basis of the passenger figures indicated on the passenger manifest.

This AIC must be read in conjunction with AIC 9/2005 and AIC 7/2008.
