The following circular is hereby promulgated for information, guidance and necessary action.

Margaret. T. Munyagi
Director General

THE TANZANIA AIR NAVIGATION REGULATIONS, 2003 – NOTIFICATION.

This is to notify the industry and general public at large of the Tanzania Air Navigation Regulations, 2003 ("TANR") which were published on 21st February, 2003 revoking the TANR, 1983.

Due to the implementation required to be undertaken by the industry, a transition period of six months is extended to upgrade their standards to the new requirements of the TANR, 2003.

All operators are required to acquire TANR, 2003 from government bookshop or the TCAA headquarters in Dar es Salaam at cost of Tanzanian Shillings 30,000.00 and start the process to ensure the requirements are met and adhere to strictly.

During the transition period, surveillance and ad-hoc inspections conducted to operators will also assess the transitioning of the new TANR.

The six months transition period is effective from the date of this circular.
