14 November 2005

The following circular is hereby promulgated for information, guidance and necessary action.

Margaret T. Munyagi
Director General

BILLING AND COLLECTION OF LANDING & PARKING CHARGES

The billing and collection of landing and parking charges for aircraft operating at government aerodromes listed in the AIP Tanzania in GEN 4.1.1 except for Kilimanjaro International Airport has been performed, for some years now, by the Tanzania Civil Aviation Authority (TCAA) on behalf of the operator, Tanzania Airports Authority (TAA).

Following agreement reached between the TCAA, TAA and IATA (for those operators paying through the later), the TAA will bill and collect landing and parking charges from operators for all operations at TAA - managed airports in the Mainland Tanzania with effect from 1 January 2006.

Operators who do not have a billing (credit) arrangements with the TAA will settle the charges in cash to designated TAA officers on landing (in Tanzania shilling or US Dollars, as applicable).

The current arrangement, where scheduled operators are billed and pay through IATA will continue, with TAA taking over the assignment of submitting the bills to IATA.

Note that the new arrangements apply for operations from 1 January 2006 onwards. Outstanding bills for operations *prior* to 1 January 2006 would still continue being collected by the TCAA.
