The following circular is hereby promulgated for information, guidance and necessary action

M. Munyagi
Director General

ISSUANCE OF LOW LEVEL SIGNIFICANT WEATHER CHARTS

The Tanzania Meteorological Agency (TMA) endeavors to improve meteorological services to air navigation. Effective from 1 July 2003 the Agency is producing Low-level significant Weather Charts for flights cruising below FL 240.

These charts cover the East African region and shall be included in meteorological flight documentation on request from the following airports: Dar es Salaam International Airport, Kilimanjaro International Airport, Zanzibar International Airport, Mwanza Airport and Arusha Airport.

Flight crew are required to visit briefing / meteorological offices at the airport for briefing on the latest weather condition before departure.
