.....

Director Safety Regulation

IMPORTANT PLEASE READ CAREFULLY

On any change in the ownership of the aircraft or in the nationality qualification for ownership, the **Registration and Certificate becomes null and void** from the date of the change. The Certificate must be returned IMMEDIATELY to the Authority with the appropriate **section** below duly completed. Similar action is required if the aircraft is destroyed or permanently withdrawn from use.

When the Registration becomes null and void the aircraft may not be flown until a new Certificate of Registration has been issued. Application for Re-registration of the aircraft shall be made in accordance

FORM:
