

THE UNITED REPUBLIC OF TANZANIA
TANZANIA CIVIL AVIATION AUTHORITY

ISO 9001:2015 CERTIFIED

PUBLIC NOTICE

**PUBLICATION OF CIVIL AVIATION REGULATIONS
GOVERNMENT NOTICES Nos. 258–268 OF 18 SEPTEMBER 2026**

The Authority hereby informs aviation stakeholders and members of the public that the Civil Aviation Regulations published through Government Notices Nos. 258 to 268, dated 18 September 2026, are now available.

The published instruments introduce new regulatory frameworks and amend existing requirements relating to, among other matters:

- a) personnel licensing and competency requirements;
- b) command-and-control links and remotely piloted aircraft systems;
- c) safety management and safety-data protection;
- d) aviation security;
- e) heliport design and operations;
- f) aeronautical radio-frequency spectrum utilisation;
- g) commercial air transport applicability thresholds;
- h) radio-navigation aids;
- i) ground-handling services; and
- j) meteorological services for air navigation.

All regulated entities, licence and certificate holders, operators, service providers, aviation professionals and other affected stakeholders are advised to review the Regulations and assess their implications for current operations, approvals, manuals, procedures, training, records, safety and security systems, and compliance arrangements.

The Regulations, together with the detailed Government Notices, can be accessed from the Authority's official website, **www.tcaa.go.tz**.

Stakeholders are encouraged to familiarise themselves with the applicable requirements and take any necessary action to ensure continued compliance.

Issued on 21st September, 2026.
