PUBLIC NOTICE

BOARD DECISIONS ON APPLICATIONS FOR AIR AND GROUND HANDLING SERVICES LICENCES

At its 43rd Ordinary Licensing Board Meeting held on 11 November 2026 at the Aviation House, Tanzania Civil Aviation Authority's Board of Directors considered, among other things, applications for air and ground handling services licences from companies or operators listed hereunder and reached the following decisions.

All licences approved by the Board will be issued through the Civil Aviation Services Portal (CASP), accessible at https://casp.tcaa.go.tz/, subject to fulfilment of the applicable licensing requirements and conditions.

NB – Ground Handling Licences:

1. A licensee can only provide the approved services after being granted a concession to do so by the respective airport operators.
2. A licensee approved for Class I airport is automatically approved for Classes II and III airports as well. Likewise, a licensee approved for Class II airports is automatically approved for Class III airports as well. A licensee approved for Class III airports can only provide services in airports under class III.
3. The Classes are categorized for the purposes of licensing of ground handling services as follows:

   - Class I – Julius Nyerere International Airport;
   - Class II – Kilimanjaro International Airport, Abeid Amani Karume International Airport and Mwanza Airport;
   - Class III – Other airports in the United Republic of Tanzania.

Issued on 11th November, 2026.
